

New to the Pasture...

HOTOP™

The Longest, Continuous, Electrical Fence Board in the World!

- **Convenient**

Fast, Easy Installation - You have an electric fence without installing any extra wires!

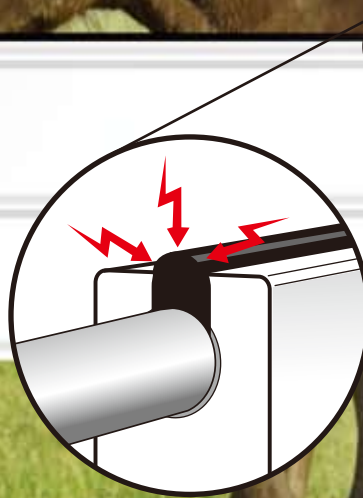

- **Safe - Fence of Choice for Veterinarians**
HoTop™ trains your horses to stay a safe distance from the fence.

- **Low Maintenance**

*After Installation - No painting,
No replacing split boards,
No repairing cracked rails!*
